LET'S MAKE ELECTRICAL PARADES IN KAMIJIMA TOWN!

MAY 3, 2021 (MON) 9AM-2PM

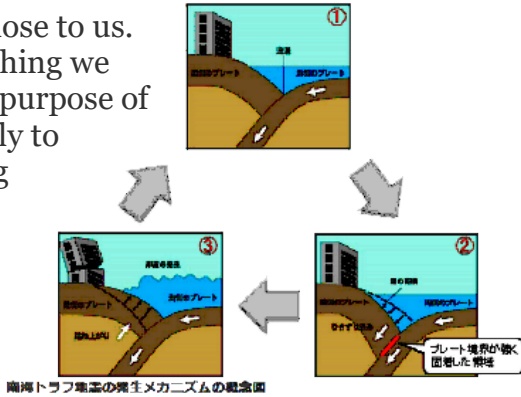

OUTDOOR & DISASTER DRILL EVENT

SITE: MOTS LAND @SOUTH SASHIMA, LONG BEACH

Let's prepare for disasters in combination with outdoor activities while having fun

Nankai Trough Earthquake is close to us. Preparing for disasters is something we tend to put off and forget. The purpose of the event is to prepare practically to keep your wits about you having chance to get conscious about disaster prevention regularly while enjoying the outdoor activities.

You can also obtain useful skill for daily life and shall we plan electrical parades in Kamijima town?

HOST: DISASTER PREVENTION MTG

Office: Renaissance
794-2510 Yuge-Kamada 148-1
☎090-4902-1397

OUTDOOR COOKING

- **Fire making** Basis of outdoor cooking. Making glowing ember to cook bamboo rice.
- **Wild boar cooking** Wild boar hunter group contributed wild boar meat for curry.
- **Fish cooking** Fish can which is useful in case of emergency. We use mackerel can.
- **Meal variation in case of emergency**
- **Emergency power supply** Solar panel can provide outdoor power source and smart phone can be charged. Demonstration of it.

ROPEWORK

Instructor is Mr. Hamada

- **Treatment of rope end**
- **Bowline knot** to rescue drowning men
- **Clove hitch**
- **Double knot** to put tent tensely
- **Loincloth** Hang things

Let's practice ropework repeatedly to acquire the skill

DISASTER PREVENTIN WS

1st Theme is 'ESCAPE'

- **Disaster Chute** What should we put in? We will check the list of town preparation and think about the best answer of disaster chute for Kamijima people.
- **Move to refuge** Confirm route to escape, simulation.
- **Action in refuge** Layout of refuge ?

今後のテーマ (予定)

- ▶ **2nd Preparation** Fixation of furniture, LED training
- ▶ **3rd First Aid** Learn how to treat injured people.
- ▶ **4th Disaster preparation Game**
- ▶ **5th Enlightenment** spread to more people

ELECTRICAL CRAFT WS
